Why do we celebrate National Girl Child Day on 24th January?

National Girl Child Day 2022: Gender discrimination is a major problem that girls face throughout their life. National Girl Child Day is observed every year in India on January 24 to **promote awareness about the rights of a girl child and to promote the importance of their education, health, and nutrition.**

Hi everyone...!

Being an Indian, I'm very proud to share the great Indian spy who sacrificed her life to help the Indian army in saving many of our lives. Many of us don't know about her.

She is **SEHMAT KHAN** , who was born in a Kashmiri family whose father (Hidayat Khan) is a Kashmiri muslim & mother (Tejaswari) is a Punjabi hindu. She married a Pakistani army officer to provide India with classified information during the 1971 Indo-Pak War. She was trained before her marriage as spy through Indian Intelligence Organisation 'RAW'. She killed her husband too & helped Indian army in Indo-Pak war.

During Indo-Pak war of 1971, she provided one of the most important pieces of information to India, according to which Pakistani army plans to sink INS VIKRANT (the Indian navy's first Made-in-India aircraft carrier). To know the great sacrifice of SEHMAT KHAN to everyone, there is a movie in hindi called RAAZI which is based on the book CALLING SEHMAT written by Harrinder Sikka.
