**Exploring OER,
Developing e-content &
Creating Online Courses using
MOODLE**

07.02.2019 To 14.02.2019

ABOUT THE COLLEGE

DUVUURU RAMANAMMA WOMEN'S COLLEGE, briefly known as D.R.W. College was started in 1981, sponsored by Rotary Club, Gudur, re-accredited by NAAC with 'A' Grade in third Cycle also and recognized by UGC as "College with Potential for Excellence" and conferred autonomous status by UGC during 2010. The College has grown immensely in all aspects during 35 years. Spacious buildings, well equipped laboratories, two libraries, digital library with Reprography, four computer Labs, Language Lab, Commerce Lab, Two smart classrooms, six e-classrooms, one e-classroom with Mana-TV connection, Research Centre, Extension Block for Certificate and Diploma courses, six-stationed multi-Gym, electronic-Gym, playground with Basketball Court, two guest rooms, one Guest house, Canteen, Baby Care Centre and above all, experienced and student caring faculty with their innovative teaching methods have made the institution a well developed institution.

The philosophy of the Institution is to educate women about their rights and equal opportunities in all aspects of life and to raise their level of aspirations and achievements in the field of knowledge through latest techniques and to empower women by impacting value-based education. The motto of the college is "Let Noble thoughts come to us from every side", hence we always welcome innovative suggestions.

ABOUT MOODLE

Moodle (Modular Object-Oriented Dynamic Learning Environment), a popular open source

Learning Management System enables educators to create flexible, collaborative and dynamic learning environment.

Moodle facilitates:

- eAdministration: creating courses; authenticating and registering students and teachers to courses
- eContent Management and Delivery: uploading, embedding, storing and delivering learning materials
- eLearning: facilitating interaction and communication.
- eAssessment: assessing and grading students' performance.

ABOUT WORKSHOP

The workshop aims to enable the participants to find OER and develop Moodling skills required to embed OER, manage resources, creating learning and assessment activities, communicate and interact with students and grade students' performance and design SWAYAM compliant MOOCs For designing and development of e-content for on line course using MOODLE platform

- And also understand the standards of e-content, learning objects, re-usability of e-content and authoring tools.
- To learn about open education resources, meaning and importance, various OER initiatives and creative common licensing.
- To understand the Process of planning, designing and implementing online courses in line with SWYAM MOOC requirements
- To use different Open Education Resources for classroom teaching and learning.
- To orient the OER based e-learning.

WORKSHOP FORMAT

The workshop format includes presentation, demonstration and hands-on activities on:

- Finding OER
- Building Creative Commons Licenses
- Managing resources in Moodle Courses
- Creating learning activities
- Designing and grading assessments

PARTICIPANTS

- Academicians of all disciplines.
- Only limited participants are allowed (25 members).
- Preference will be given to first registered 25 members only
- No registration fee for the participants.
- No TA&DA will be provided to the participants.
- Accommodation will not be provided to participants.

LEARNING OUTCOMES

After participating in the workshop, participants will be able to:

- Gain an understanding of OER and Creative Commons Licenses
- Find & embed OER in multiple media in Moodle course
- Manage e-Content on Moodle course pages
- Communicate and interact with students
- Create learning activities and assessment tasks (assignment & quiz).
- Designing MOOCs
